 4. style, and is full of interesting facts and  
 5. anecdotes. The second part is a description  
 6. of the country, its soil, its climate, its  
 7. productions, and its inhabitants. The third  
 8. part is a description of the city of New  
 9. York, its situation, its extent, its  
 10. government, its commerce, and its  
 11. population. The fourth part is a description  
 12. of the state of New York, its government,  
 13. its laws, its constitution, and its  
 14. population. The fifth part is a description  
 15. of the United States, its government,  
 16. its laws, its constitution, and its  
 17. population. The sixth part is a description  
 18. of the world, its government, its laws,  
 19. its constitution, and its population. The  
 20. seventh part is a description of the  
 21. universe, its government, its laws, its  
 22. constitution, and its population. The eighth  
 23. part is a description of the human mind,  
 24. its powers, its faculties, and its  
 25. operations. The ninth part is a description  
 26. of the human body, its structure, its  
 27. functions, and its diseases. The tenth  
 28. part is a description of the human soul,  
 29. its nature, its powers, and its operations.
